Good teacher – only suggestion is to always have a gameplan for what you want to cover versus having a section that is just open for questions. When you had a plan, things were great
I thought Nikhil did a good job answering people's questions. He was definitely available for me when I didn't understand what a question was asking. great TF overall!
Nikhil was so kind and helpful! He was patient with questions and worked hard to help us understand. He never made us feel dumb or bad for asking questions and encouraged an open dialogue.
